2010-11-06 19:00:00	J.H.	Glenn Durgin made our cow moose hunt a total success. He is a 24/6 hunter(no Sunday hunting) and we succeeded despite tough conditions. We had a great time, and we owe much to his energy and perseverance.
2010-10-14 19:00:00	S.VT.	We have had a great time here this week. Alan and Gloria are terrific hosts. Cabins are comfortable, food very good. We had a great hunt, harvested a decent moose. I have figured a new measurement scale for moose. If you shoot a 50" bull at 80 yards, your score would be 4000 moose yards. But if you were to shoot a 37" bull at 300 yards, your score would be 11,000 moose yards which would make me the winner. LOL Thanks for everything.
2010-10-11 19:00:00	B. & L.S.	Thank you everyone! We had a wonderful time, it was just too short. Next time I'll make sure to tell Bill not to shoot something too early (Ha Ha!). We hope to see you all again. Everything here was great!

2009-10-01 19:00:00	J.W. - Walkersville, MD	My 2009 Maine Moose hunt was the hunt of a lifetime. Choosing Nate Theriault as my outfitter was the best decision I ever made! OMM Outfitters goes all out to make it happen, leading to the harvest of my trophy bull. The camps at Eagle Lake provide a unique opportunity to go back in time and the Theriault family makes you feel welcome as if you are a part of the family.
2009-09-30 19:00:00	K.W. - Rye, NY	Exceeding all of our expectations! Great heart for people. The staff were great company and treated us like royalty. All the best & thanks for the hunt of a lifetime.
2009-09-30 19:00:00	L.P. - CA	An unforgettable adventure thanks to Alan, Gloria, Nathan and team for such effort and loving service. The days were Hollywood scripted and remarkable. We hope to see you back here soon.
2009-09-29 19:00:00	Tom O	There were six hunters in camp. 3 bears were killed over bait, by rifle, the first evening. One was arrowed and not recovered the second evening. Another was taken by rifle the third day. One bear sighted twice, but not taken by the sixth, was estimated to be over 500 lbs. All hunters except one had digital cameras showing 300 lbs+ bears coming to their bait stations during the legal shooting hours. The other one didn't have a camera set up at the bait sight. Nathan is the real deal as a guide. I had the opportunity, after harvesting my bear, to help and watch him bait several sights for the upcoming weeks hunts. He works hard before, after and during the hunt. He is thorough and knowledgable in his attention to details and his success shows it. The meals were home cooked and outstanding. I returned after harvesting my bear at about midnight. Nathan had called ahead and there was a nice warm meal waiting for me. I would not hesitate to use or recommend Nathan Theriault and OMM Outfitters to anyone.
2009-09-15 19:00:00	S. & P.M. – Branson, MO	Shawn came for a bear, which he did get thanks to Nate and his care and detail of his bear sites. 2008-09-12 19:00:00	K.W. - North Carolina	I came to Eagle Lake camp to relax from the rigors of owning a restaurant and relax I did. Gloria and Alan are wonderful hosts. I feel as if I made new friends, and I felt very welcomed in the camp. It felt more like a home. Gloria's cooking was great, homemade bread, desserts and always an interesting spin on the American Classics. I really enjoyed the rustic living, the lack of phones and noise pollution I endure at home. I know I will be back once a year to relax, enjoy and catch up with my new friends. Thanks so much for a great time. I'll be back.
