Gravel Road to the Camps (20 miles from State Route 11)

The camps have seasonal access via 20 miles of privately maintained gravel roads. Please confirm the road is passable before attempting to drive to the camps. Call us from Ashland at 207-444-5108 x 3 and give us a progress report. Leave a message with the time if our voice mail system answers. Cell phone service is spotty. A 4WD vehicle is highly recommended and a must during the wet conditions of spring and fall. Road repairs can force the road to be closed for weeks.

The following are directions from the south on Route 11. The timber companies maintain mile markers to help navigate; however, certain markers may be missing or damaged:

1. After passing through the Town of Portage travel North on State Rt. 11 for about 14 miles.
2. Turn right (immediately North (and across Rt. 11) from Hedgehog Mountain State maintained Rest Area) onto Pennington Road (gravel) - follow to the end (should be multiple mile markers) – about 11 miles
3. Turn Left onto Square Lake Road and join mile 7.5. Follow Square Lake Road to mile 12.5
4. Turn Left onto Eagle Lake Sporting Camps Road - 4 miles to the end; please open and close gate as instructed
